We're going to be
using a new programme
to help our learning!

How do we practise?

- On tablets, mobiles or desktops where the DoodleMaths or DoodleEnglish apps have been downloaded.
- At school, we use the apps on our tablets and computers.
- At home, you can download the app on to any mobiles, tablets or computers.

How do we log in?

- You will all have your own unique login which works on any device with the app downloaded.
- You can log in anywhere — at home, at school, or even on the bus!
- The app works online and offline. If you complete work while you're offline, you must log in on the same device when you are next online otherwise your hard work won't be saved.

Little and often

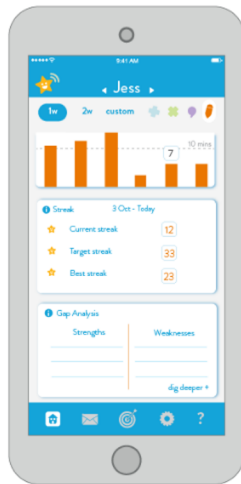

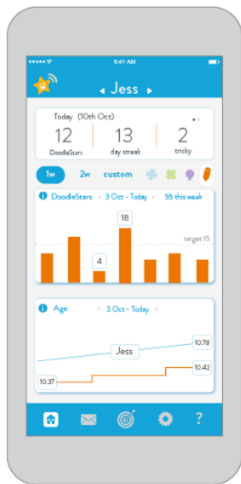

Practise for 10 minutes, 4-5 times a week.

For parents and carers

doodle
maths | english | success

There is an app where they can see how you're doing!

Building in 10 minutes a day

Try to find a really good time of day when it suits you to practise. For example:

- Before breakfast
- After tea
- On the bus or in the car on your way to school
- Ask if you can do it in a breakfast or lunch club

My Target

To be in the green zone, you must earn your target number of stars per week. When you are in your target zone you are able to access My Pages!

My Pages

Once you're on target, My Pages will unlock. This is where you can find your avatar, My Friends and view your progress. Use your hard earned Doodle Stars to buy accessories for your avatar. Which one's your favourite?

Our top tips

Try and complete the exercises by yourself. You can use the help button if you get stuck, but make sure you don't ask anyone to help you!

This is because we're trying to find out what you can and can't do. If someone helps you answer a question, your exercises will get too hard very quickly.

Our top tips

If you've tried your hardest and you get some things wrong, that's good! It means you are learning.

You shouldn't be able to answer every single question correctly.

Our top tips

doodle
maths | english | success

You will get questions which are right for you, so anybody could be the Top Doodler if they put the effort in!

Our top tips

If you do a little bit every day, you will get a little bit better every day!

"Success is no accident. It is hard work, perseverance, learning, studying, sacrifice, and most of all, love of what you are doing or learning to do."

— Pelé, Brazilian footballer

What to do if you get stuck

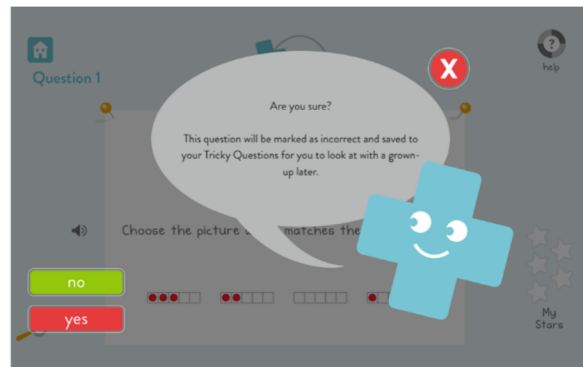

help!

Use the help button to see the hint or explanation.

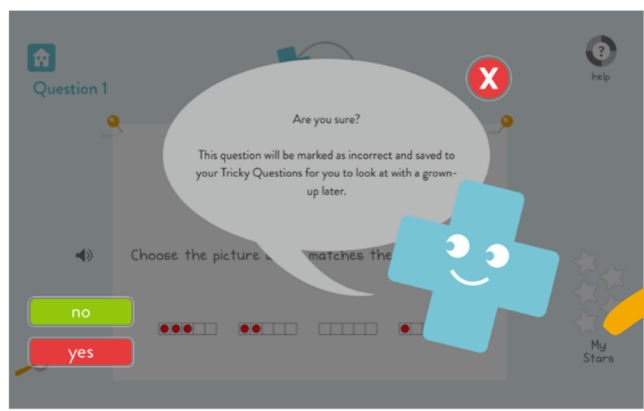

What to do if you get stuck

If this doesn't help, choose the option to ask an adult later. This saves the question in a Tricky Questions folder.

Your teacher will tell you whether you should ask your teacher or a parent/ carer for help after you've saved it.

What to do if you get stuck

Top Doodlers!

- Can you get a 7 day, 14 day or 30 day streak?
- Can you earn 100 stars each week?
- Can you earn enough stars to buy your robot a fidget spinner?

Happy Doodling!
