

School Sports Funding 2016/2017

Number of pupils on roll: 341

Total Sports Grant allocation: £9,305.00

In April 2013, the Government announced a new initiative for Physical Education (PE) and Sport. The School Sport Premium is a fund allocated to every Primary School as a legacy of the London Olympic games. This was designed in order to promote a healthy lifestyle and improve the quality of PE and Sport within Primary schools.

Primary schools are given autonomy on the allocations of the funding to improve the quality and breadth of PE and sport provision. These areas include; increasing participation in PE and Sport, developing the quality of teaching within the subject, creating an inclusive whole school ethos in encouraging all pupils to live a healthy lifestyles and to reach the performance levels they are capable of.

Documents consulted:

“Beyond 2012 – outstanding physical education for all.”

“Inspecting primary school PE and school sport: new funding.”

Priorities for Spending 2016-2017

Aims: To promote lifelong sporting habits and healthy lifestyles for all pupils regardless of sporting ability.

- Youth Sports Trust membership and CPD.
- Membership of the Bournemouth Schools Sports Association (BSSA)
- Develop Young Sports Leaders in Key Stage 2 to assist in playtime and lunchtime sporting activities, to facilitate sports events for younger pupils and monitor the storage of PE equipment.
- Provide cover for teachers to receive professional development in PE and to supervise sporting events.
- Enhance PE equipment and resources.
- Subsidize transport, pool hire and swimming instruction for pupils in KS2.
- Gymnastic coaching Programme for KS2 staff and pupils.
- Engage the least active pupils in extracurricular clubs at lunchtimes and afterschool.

Impact statement:

For our provision of Physical Education throughout the last academic year, we were awarded with the Sainsbury's Schools games Gold Mark.

Annually at Christ the King, we pay for Youth Sports Trust membership which provides us with Physical Education resources and CPD opportunities. In addition to this, we enter into the BSSA sports events which take place throughout the academic year. This allows our sports teams to participate a number of Level 2 and 3 Sainsbury's School sports competitions including: football, cross-country, netball, tag rugby, tri-golf, tennis, basketball, cricket, swimming, rounders and athletics.

Due to the experiences the BSSA membership has provided our children with, we have been extremely successful in a number of Level 2 competitions:

- *Runners-up Dorset Schools County netball Championships (Level 3)*
- *Winners Bournemouth Schools netball league finals (Level 2)*
- *Winners Bournemouth Schools netball tournament (Level 2)*
- *4th of 21 schools at TAG rugby tournament (Level 2)*
- *3rd place Bournemouth Schools' girls football league (Level 2)*
- *2 pupils qualified for County Championships athletics (Town Sports)*

Not only do we provide many opportunities to participate in Level 2 (Inter-school) and Level 3 (County) events but we also provide our children with chances to compete at Level 1 (Intra-school) competitions. These include our annual sports day and extra-curricular clubs. Our current figures for Year 5&6 participation at Level 2 events is 60%. During this academic year we have been lucky enough to secure the services of Gemma Coles, a highly respected gymnastics coach, to deliver a number of CPD sessions for our Sports Coach and TA's. All CPD sessions have been videoed and will be used to form part of an inset day P.E. training session.

Through our membership to BSSA, we were able to send various Year 6 children to attend Primary School Bronze Ambassador Training. This enables the children to train to be a young sports leader and give them an understanding of how they could have an impact in our school. There are now 9 trained sports leaders at our school and form our 'Sports Committee'. These children aid weekly during our 7 Cs time sports events and at our annual sports days. A sporting link has been made with local secondary school Ferndown Upper, who have kindly aided our sports leaders in 7 Cs time. Part of the Sports Grant is spent towards replacing damaged sports kit and providing a wider range of equipment to aid the learning of our children. We also use the sports grant to supplement the cost of transport to sporting events such as our weekly KS2 swimming lessons. Throughout the Spring term, we were able to have an experienced gymnastics coach visit the school for a block of 6 weeks to deliver CPD sessions for members of staff on how to deliver 'outstanding' gymnastics lessons.

A 'Change 4 Life Club' (Adventure Club), is ran every morning before school at 8.15am-9.45am. This club allows children who are 'less active' to engage in physical activity and work towards long-life participation in sport. We also provide free sports extra-curricular clubs which are rolled out through the academic year to engage children who come from 'less-fortunate' backgrounds (pupil premium). Currently, 72% of pupil premium children and 70% of all children from upper KS2 attend extra-curricular sports clubs. We are also proud that the overall figure of KS2 children attending extra-curricular clubs is 51%.

In Summary:

From the sports premium grant we have been able to enhance the quality of P.E. and sport within the school. Therefore, we can provide a comprehensive P.E. curriculum and extra-curricular timetable which is accessible for all of our pupils. As recognition of our provision of sport we have been awarded with **Sainsbury's Schools GOLD Mark**.

In the future we intend to use the funding:

- Purchase quality gymnastics equipment to supplement and aid the curriculum in order to enhance children's skills in this area.
- Promote and devise an intra-school (Level 1) competition timetable to provide children with positive competitive experiences in sport.
- Youth Sports Trust membership and CPD, cover to release staff.
- Membership of the Bournemouth Schools Sports Association (BSSA)
- Provide cover for teachers to receive professional development in PE and to supervise sporting events.
- Enhance PE and dance equipment and resources.
- Subsidize transport, pool hire and swimming instruction for pupils in KS2.
- To continue to engage the least active pupils in extracurricular clubs at lunchtimes and afterschool.
- Provide specialist coaches / teachers for games to support the curriculum delivery by class teachers.
